In Loving Memory

Mariah Brittany Davis

September 20, 1998 ~ December 20, 2021

Our beautiful girl Mariah Brittany Davis went to Heaven on December 20, 2021 at the age of 23. Beloved daughter to Shawn Davis and Sacha Garcia, she was born on September 20, 1998 in Wheat Ridge Colorado. She was welcomed by older brothers Jalen & Chance, and later joined by brother Preston and sister Lindsie.

Mariah graduated from Grandview High School in Aurora Colorado in 2017, where she earned a partial scholarship for Track & Field. During her senior year in high school she ran the 4x100 and made her way to the Colorado State Track Meet at Jefferies Stadium in Lakewood, Colorado. Her team took first place over all for 5A schools. She started her track career in the 7th grade and competed for 6 years, plus one more year in college. She also enjoyed playing volleyball and basketball throughout her middle school and most of her high school years. With her scholarship she chose to go to Hastings College in Hastings Nebraska. She studied there for 2 years and then transferred to Colorado State University in Fort Collins, Colorado. She was only there for one year before deciding that college wasn't for her wanderlust heart.

Mariah was very independent and proud to show the world she could survive on her own. She was able to get her first car loan in the summer of 2021, she was so very thrilled and happy she accomplished that milestone!

She had multiple jobs during her short-lived adulthood life. In between switching jobs and moving from place to place she found time to travel often! She traveled to many states in the US and made her way to Mexico on a cruise with her family. She loved traveling and going on adventures, whether it was a short day trip, a quick weekend vacation, or week long road trips, she love them all! She went on many summer camping trips with her family when she was younger and always love being outdoors. Mariah felt very strongly about keeping the great outdoors clean and would always remind her friends and anyone who will listen to pick up their trash and leave no trace behind.

Mariah was a daughter, granddaughter, sister, niece, cousin, and friend that was always

smiling and so full of love, laughter and light. Her friends often spoke of her contagious laugh that everyone loved. Mariah “lived her best life” through simple pleasures like listening to music, going to the movies, hanging out with friends, shopping at the mall, being with her pets, painting at home, snacking, going out to eat, or eating her favorite homemade meals when she would come home for a visits. Her favorite meal from her “mommy” was her shepherds pie, and her favorite from her “daddy” was his Texas BBQ. Mariah is survived by her parents Shawn and Sacha, and lovingly remembered by her 2 older brothers Jalen Corona an Chance Davis; younger brother Preston Davis; little sister Lindsie Garcia; her maternal grandparents Linda Watson & Elefar Garcia; Paternal grandparents John Preston (Anita) O’Neal; many aunts and uncles; great aunts and uncle’s; numerous cousins and countless friends; her family dog Rocky; her cat Nala, and newest addition (unnamed) kitten, now happily adopted by older brother Chance!

“ Dear Mariah,

*Today marks one month since you left us and I still can't put in words how lost I am without you. I still feel like you're just a call away. Unfortunately that's not the case anymore. You're a lot harder to reach now.. although I can't hear your sweet little voice I know you hear me. I know you're with us. I miss you more and more everyday. I struggle everyday to control my breathing because I feel like when I cry I can't stop. This hurt goes so deep I can physically feel my heart ache. I'm scared to cry the way I need to because this pain is unbearable and no cry is loud enough to express how broken I am. My life shattered into a million pieces the minute I got the news and i know it will never be the same. You gave me over a decade of memories to keep w me forever. Memories I wouldn't trade for the world, memories I will cherish for the rest of my life. I can't wait to be with you again. I feel like I will never laugh the same without you. I wish I could've protected you, saved you, helped you.. anything that could've kept you here. I will never have another friendship like ours. It was always Maria and Mariah. The true dynamic duo. My best friend my other half .. i love you more than I could've ever explained or showed you. If there's one thing I pray you know it's that you're the best thing I was ever blessed with and I thank you tremendously for unapologetically being you and being the best friend you could be to me.*

*I thank you.*

*I love you.*

*I admire you.*

*I adore you.*

*I MISS YOU!*

*Love,*

*Maria ☐*

*PS: with every tear I cry for you there's also a smile; you brought a World of happiness to my life*

“ Mariah and I became friend from the jump. We automatically loved each other. I love her and Maria. Whenever there was a Maria there was mariah the best duo I knew in high school. Always both so sweet. Then we grew and it was awesome to see her grow cause she always had a plan for herself and would make it happen even if it was hard. When I came back to Colorado she was one of few that reassured me she still was there for me. She is truly an amazing friend. We ran into each other at a fashion event for the community at a college in Denver. It was a lot of fun and she was one of the models I remember walking down and taking pictures of. She looked so confidant and beautiful like always and after we caught up. I will try to find those pictures once I get my laptop to share for sure. Some night still be on my photography page. Then recently I moved and the day I moved I started by myself tbe first hour and complained about it on my social media. Mariah with her kind heart swipes up and offered to come help me. I told her she didn't have to do that and I wanted her to come over after I got moved in so we could actually hang out. Sadly that was about a week and a half ago. Mariah is forever in my heart, from basketball, to being in the high school halls, to the parties we'd run into each other at, to going out to lunch after I came back from Oklahoma forever in my memories and never ever a bad moment. She knew how to spread so much light. I am so lucky to call her my friend. (There's a few pictures I found from the fashion show)
